

Job Title Vancouver Office – CPA Avenues Opportunities in Audit, Tax or Advisory

Job Function Audit, Tax or Advisory

Location Vancouver, BC

Job Description **Please note that you are limited to one application during the fall recruitment period as we ask you to think ahead to what office and service line you are interested in.**

Overview of the opportunity:

Working at KPMG allows you to gain valuable on-the-job experience while building your professional network and business acumen. Being part of the KPMG Global member firm of 152 countries and 189,000 professionals, you'll be part of a high performing team and have access to ongoing professional development and mentorship at every level. You will work with national and global organizations, adding value and gaining valuable on-the-job experience. At KPMG, we'll provide you with the support to drive your own career and discover the countless opportunities available.

Our Vancouver office is seeking undergraduate business students who are pursuing their CPA designation to join the team in 2018 as a part of our **Avenues program**.

What you will do:

Our Avenues program allows you to gain different work experiences across our Audit, Tax and Advisory practices as you begin your career as a new graduate. As you work shoulder to shoulder with your clients, you will build relationships that will highlight the value you bring to them through the use of your advanced business acumen and ability to provide deeper industry insights.

Throughout the program, you will have a dedicated Development Manager to coach and mentor you to ensure that you receive broad experiences that are aligned with your interests. The result is a more individualized career path. Client visits are an important part of most roles, so you'll be moving from environment to environment to experience a broad range of different industries, locations, and businesses. This variation in the role means there is no set pattern for the types of work you will be doing on a day-to-day basis.

CPA Avenues opportunities are available in our following practice areas:

Audit

In KPMG's Audit practice our clients look to us to provide industry insight and valuable perspective on business issues. You will be involved in analyzing and assessing clients' business processes, internal controls, and recommending areas of improvement. Learn more at kpmg.ca/audit

Tax

In KPMG's Tax practice, your skills, tact and knowledge can make a difference to your client's business strategy and ultimately, their bottom line. You'll work with clients to identify tax-planning opportunities and meet their tax compliance requirements. Learn more at kpmg.ca/tax

Advisory

In KPMG's Advisory practice, you will be part of a multi-disciplinary team, equipped with deep sector knowledge, and use superior analytic tools. You will work directly with your clients to help them improve business performance, leverage IT investments, protect financial assets, manage risk, and boost market confidence. Learn more at kpmg.ca/advisory

What you bring to the role:

You are a well-rounded undergraduate university student that demonstrates balance and leadership between academics, extra-curricular and community involvement. You are a leader on your university campus and in your community and exhibit strong communication skills, professionalism and a desire to learn and grow.

You have a strong academic record and are committed to achieving your CPA designation. You have a proven track record of successfully dealing with competing priorities and deadlines under pressure. You have a strong sense of personal accountability, and are focused on achieving your personal and career goals.

Keys to your success:

- Strong relationship-building skills to interact with clients, colleagues, and the wider community.
- Being driven to continuously learn from experiences and seek out feedback and development opportunities.
- Ability to provide crucial consultation and analysis for the variety of clients you will serve.

To apply:

All applications must be received **September 6, 2017 at 11:59pm PST.**

Our online application system will allow you to include up to five documents without losing your formatting. Applications can be addressed to Rachel Orr and should include a cover letter, resume, and an electronic copy of your most recent transcript. If you do not have access to an electronic copy of your transcript, we ask that you attach a screenshot of your grades from your school's website. **For an easy application process, please PDF all documents into one PDF file.**

Please apply to the posting for the office you are most interested in. You will be given the opportunity to select your position preference (Summer Intern, Co-op Student, or Full Time Employee), and your function of interest (Audit, Tax, or Enterprise) using the pre-screening questions. Please note that not all offices offer all positions and functions. Please speak with your local Campus Recruiter for more information.

If you experience any difficulties with the online system, please contact ca-fmcdncamprec@kpmg.ca
